### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Andrew Calderon (#38.093) on August 31, 2005.

The application has been amended as follows:

- Amend claim 12 as follows:

A system for a network device that receives packets of variable length, comprising:

a memory having a first portion and a second portion, the first portion storing packets having a length less than a predetermined value and the second portion storing packets greater than a predetermined value; and

a memory system reallocating the memory of the first portion and the second portion when the memory of at least one of the first portion and the second portion crosses a threshold, wherein the first portion of memory contains multiple buffers, each buffer of the first portion sized to store one packet that has a length less than the predetermined value and the second portion of memory contains multiple buffers, each buffer of

the second portion sized to store one packet that has a length greater than the predetermined value.

- Cancel claim 13.
- Amend the title to read "DYNAMIC REALLOCATION OF DATA STORED IN BUFFERS BASED ON PACKET SIZE"

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Peikari whose telephone number is (571) 272-4185.
